Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I object to the plan :</p> <ol style="list-style-type: none"><li>1. New side road coming out on to a sweeping bend on a busy 'A' road that has no street lighting , is an accident waiting to happen</li><li>2. 100 new homes equates to at least 100 more vehicles in the countryside , when we are all meant to be getting out of vehicles.</li><li>3. The local bus service is totally inadequate service as an excuse for people using that , 1 bus an hour at peak times then every 2 hours &amp; no service on Sundays.</li><li>4. Local school , Doctors &amp; other amenities will struggle with at least an extra 250 people, assuming that it's an average of 2.5 per house. It will be more as you know.</li></ol> <p>If you have to build new houses, use the brown field sites around gravesend , the groundwork's already established for electricity, water &amp; gas.</p>
Kind regards
