Reasons for comment:	
Comments:	I strongly reject this application. The area is already very busy with traffic and creating another access will make the main road a hazard with the additional cars. Public transport is already awful with a very poor service. Building another 100 houses will increase noise and pollution levels. How are the local schools, doctor surgery's and hospitals meant to cope when they are already so over stretched. The area is green belt and we really need to preserve our country side and not ruin it.

Kind regards
