Reasons for comment:	
Comments:	The village cannot support this. I have lived in this village for nearly 10 years and each year the pressure on the village has increases. You can never get parked at the shops, the road is already gridlocked from 8am-8:45am with existing school traffic. This village is not built for this capacity of houses nor should it be subjected to it. Greenbelt land should be protected at all costs it is outrageous that plans have got to this point of objection. Schools are at capacity as are all hospitality sectors.

Kind regards
