Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I object to this planning application for the following reasons:-</p> <p>The A227 cannot cope with anymore traffic. This development would put motorists and pedestrians at serious risk of injury/death</p> <p>The scale and appearance of the development is out of keeping with the area.</p> <p>The development would have a catastrophic impact on wildlife, biodiversity and ancient woodland.</p> <p>The area suffers from flooding and the loss of the farmland would be catastrophic for people living in the Culverstone bowl, particularly considering climate change.</p> <p>There is inadequate infrastructure ie schools, healthcare facilities and Darent Valley Hospital is at full capacity.</p> <p>The development conflicts with local planning policy.</p>

Kind regards
