Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	decimation of ancient woodland, adverse effect to natural habitat of Bats and other wildlife, flooding risk to Rhododendron ave as this area is a natural water absorber, intolerable increase to noise and traffic on an already busy road which is often blocked. No additional need for this quantity of houses in a semi rural setting which has limited public services.not supported by local community.loss of agricultural land and the potential merging of villages

Kind regards
