Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to the planning proposal. The A227 is a narrow road which is dangerously congested during peak periods. 100 houses would result in overloading the infrastructure such as schools and GP. The additional fumes in the area are not conducive to a healthy environment. Pollution. I object on grounds of a, impact on the environment B, safety on the road A227, which narrows into places with no pavement. C, I believe the building of 100 houses would conflict with the character of the area. D, noise and disturbance.

Kind regards
