| Comments: | <p>I hereby raise objection to the planning application for 100 dwellings . Based on Traffic Generation, Parking, and Highway Safety: I have Concerns about increased traffic congestion, inadequate parking, or hazards for pedestrians and drivers, given the location of the site and proximity to school.</p> <p>I'd also wanted to raise concerns over the Noise and Disturbance: The potential for new noise or disturbance, including from the development's use or the construction process itself that potentially would stretch to 2 years.</p> <p>Conservation of area that support Wilde life How the development might affect the ever reducing natural habitat of many wildlife,bats, hedgehogs and many more.</p> |
