Reasons for comment:	
Comments:	<p>Although my knee-jerk reaction might have been to object, having thought about it logically, this site seems like a better option than most others proposed locally. There is no doubt that we need more housing options.</p> <ol style="list-style-type: none"><li>1) the proposed site is already surrounded by houses, and not pushing the village boundary in any direction.</li><li>2) the road is straight at that point, so joining to it would be relatively safe.</li><li>3) The doctors surgery may be busy, but certainly has capacity to expand.</li><li>4) the proposal includes plenty of smaller houses, hopefully some local people can downsize, and it will give others the opportunity to buy their first house.</li><li>5) the housing plan doesn't seem too dense - including green space.</li></ol>

Kind regards
