Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I'm objecting against this proposal since it's not a grey belt, it would have significant impact on the environment, road network, pollution, woodland , cause flooding in the wider area , not supported by public transport and potentially contaminated. It would merge the villages and put huge pressure on the A227 which is severely congested already, not to mention our support services doctors etc

Kind regards
