Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	First, I would like to rebut the assertion by one of the objectors that "Nearly every neighbouring property has raised objections" and "The applicant has not engaged with neighbours in good faith". Two objections from the 20+ houses in Bowesden Lane does not constitute a majority, let alone "nearly all". I believe the changes to the property will be both aesthetically pleasing and in keeping with the surrounding properties, especially bearing in mind several neighbouring properties have added gyms or other outbuildings in recent years. Provided no planning laws are breached I see no reason why the application should be rejected.

Kind regards
