Reasons for comment:	
Comments:	It will join two villages together ie Meopham and Sole Street, this is stipulated in government plan that this shouldn't happen if green belt changes to grey belt!! Developers are taking advantage of this, STOP it happening one piece of recreational area at the end of 725 house being built is NOT enough to stop 2 villages becoming one!!! No infrastructure to cope with amount of traffic impacting A227 also facilities to cope with doctors and local hospital capacity Impact on environment and pollution Also, this planning application should be considered along with other planning applications about the overall impact to area. 5 sites have been identified in local plan all are Within a mile radius, all of them will cripple this area.

Kind regards
