Gravesham Borough Council
Civic Centre
Windmill Street
Gravesend
Kent DA12 1AU.

Dear Ms Harrison

1 Cheneys Cottages, Thong Lane, Shorne, DA12 4AA

Further information in relation to condition 3 of Appeal Decision, reference APP/K2230/D/20/3244216.

We have discussed over the telephone that the applicant would wish to use a porous tarmac overlaid with porous resin bound gravel. The applicant has chosen Harvest Gold as a gravel finish but is happy to consider other gravel mixes as needed.

The base surface over which the resin bound gravel is laid is also porous. Ultidrive Porous is made by Tarmac and is a porous asphalt.

I forwarded by email last week the revised parking plan and attach another copy with the covering email.

Yours sincerely

Jonathan Bolton
