Reasons for comment:	
Comments:	I strongly object to this planning application. White Post Lane is not an appropriate area for a travellers site. The lane is very narrow, unlit and with only intermittent passing places for cars. The lane has always been used by walkers, horse riders and cyclists but now it is largely used by large commercial vehicles and speeding cars mostly driven by the occupants. The trees and hedgerows have been decimated along the lane in order to get the large Mobile homes on site, all without any regard for the environment or indeed the local community.

Kind regards
