Application ref 20240715

5 Ryecroft Gravesend Kent DA12 4QQ

Erection of a first floor side/rear extension over garage.

This is a re-application following the refusal of application Ref 20240455.

As previously, the Parish Council has no objection in principle to the proposal.

The design has been improved by having a tiled pitched roof and being set back and subsidiary at the front.

It might be preferable for the extension to also be subsidiary at the rear by being similarly set back, however that is not the situation in the example location (for which we could not find record of a planning permission being granted) at No.9 Michael Gardens that was provided to the applicant by GBC.
