

## Objection to planning consent School Lane Higham

1. Road is inadequate to deal with the increase of traffic that that amount of extra housing would bring to the village
  2. School is inadequate to deal with increase of children
  3. Extra traffic will put further stress on the village and increase risk to life
  4. Loss of green field in the village
  5. Water stress on the village increased
  6. Infrastructure not sufficient to deal with increased housing
  7. No doctors surgery in the village where do the extra patient's go?
- This is not a protest of 'not in my area', it is common sense that it is not viable!
