Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to the proposed development of new housing on green belt agricultural land in our village. This area is vital for preserving our rural character and supporting food production. The village infrastructure is already under significant strain, with limited access to doctors, oversubscribed schools, and insufficient local shops. Adding more housing would be detrimental to both existing residents and the environment.

Kind regards
