Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Ok let's be sensible about this. The simple fact is that all the services in the village just will not be able to cope i.e. the doctors at the moment they just about can cope on a good day, the hospital is at bursting point as for parking to use the local shops is a joke, schools full and roads would be a nightmare. The farmers fields are used for crops and need to remain so

Kind regards
