Reasons for comment:	
Comments:	Meopham and Istead rise GP surgeries are already impossible to get appointments at, they are both at capacity which they confirm. The traffic along the A227 and Green lane is horrific as it is and this proposed development suggests an increase of around 1450 cars Norwood Lane and Wrotham Road flood frequently as is, and open fields capture water and thus help to mitigate floods. Emergency vehicles to houses on Norwood Lane would be impeded. This totally goes against everything that Greenbelt stands for and this is Greenbelt land.

Kind regards
