Reasons for comment:	
Comments:	This site is green belt and should not be developed. Development on this site would link Sole Street to Meopham leading to an urban sprawl. This development would provide at least 1,400 vehicles to almost certainly use the A227, an already stressed road. Doctors, Schools and parking at shops is already overstretched. This large development will detract from the quality of life of all present residents in Meopham.

Kind regards
