Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to the building of the houses. The doctor surgery can't take any more clients. Secondary schools have no spare places. The A227 is already an extremely busy road and can't cope with any increase in traffic. We live in a protected area of the North Downs. the habitat lose and increase in light pollution would traggic. The infrastructure is not available. Water supply is already at maximum level. The land is vital for the residents. It poses a health risk in an increase in pollution, and reduces the green spaces vital for physical and mental health

Kind regards
