Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	A development of this size cannot be supported by the current infrastructure in the area notably healthcare which is already overstretched to the point of is virtually impossible to see a gp and roads which are already falling apart and not designed for the level of traffic that would be generated. A development such as the one proposed would cause the neighboring villages of Sole Street and Meopham to merge and see the irreversible decline of the rural environment.

Kind regards
