Reasons for comment:	
Comments:	I am in the process of moving into the neigbiurhood soon. I feel the Al Haqq Academy will be a good resource for our community. It will provide a hub for community coheasion, which will also improve trade and desirabilty for the area. There is a growing Muslim community in Gravesend and we definately need facilities where we have easy access to prectice our faith and build a strong vibrant community. I hope that the Planning officer will see it on a positive light as change of use of this building will ensure the building is put to a better use.

Kind regards
