Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	My objection concerns the following: This application could potentially put 11 more cars onto already heavily used residential spaces in Cobham St and the surrounding area. If passed, the applicant should be required to provide 11 parking spaces, and the property residents should remain exempt from resident parking. Secondly, I would have serious privacy concerns with so many new properties being able to look into my garden.

Kind regards
