Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	More beautiful countryside to disappear under concrete, tarmac and bricks. It is disgusting how developers are allowed to bury the garden of England under successive housing estates. Local, County and Government planners will not be happy until there's not a single green space between Dartford and Margate. I think recent events in Tunbridge Wells have shown the issues with this constant development, where is the water coming from to supply these properties??

Kind regards
