Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	As a member of the village and local dog walker with appreciation for the surrounding natural beauty I cannot support the application. I have concerns about the security of the village, litter/detritus, traffic and access to said site for temporary residents (gypsies), the proposed use (static homes and caravans)would be at odds with surrounding structures and building materials/techniques.

Kind regards
