Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Concerns about the restriction of sunlight to the rear of my building by the dormer at the later part of the day. Completion of all exterior work as described in application, especially on the side facing my property, as demonstrated when building the previous extension of the property. Assurance of noise levels and start and finish times, which was not adhered to during previous extension.

Kind regards
