Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This plan should rejected outright due to lack of infrastructure to support traffic, lack of effective power considering power cuts occur in the area in a regular basis. Lack of enough schools To support 64 additional families, lack of doctors to support 64 families. Finally, the impact on the local area and natural beauty of land in an AONB is absolute insane. Stop destroying our countryside, stop destroying communities and stop allowing these ridiculed ideas to even get submitted.

Kind regards
