Reasons for comment:

Comments: I write to voice my concerns regarding the above planning application for more homes in The Drove Way. There has been a raft of applications to turn a once sought after village location into a rat race. There is already wheels in motion to build more houses in Downs road, Norwood lane and more in Meopham. Every day there seems to be holdups on our surrounding roads and feel we simply can't take more in the saturated south east area. Ebbsfleet and blue water area are now full of new homes and we do not have the infrastructure to cope. Our only doctors surgery on the Rise is full and residents find it increasingly difficult to get appointments. Darent Valley Hospital is on its knees with all the extra patients with traffic piled up to find parking spaces every day. I understand the need for more homes but any more in this area will cause anger, chaos and major problems for residents.
Yours sincerely
[REDACTED]

Kind regards
