Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Newlands Lane is a quiet narrow lane where locals walk their dogs and cars find it difficult to pass each other. It's the shortest route to my house by car from Wrotham Road but I never drive along it in either direction because of this and I've lived here for over 20 years. It's totally unsuitable for HGVs especially and any increase in traffic would cause major issues. We have regular power cuts in this area, water supply issues and the mobile phone signal is bad. Culverstone Green Primary School is full and oversubscribed. Newlands Lane is full of wildlife, foxes, badgers and when I walk my dog, I can hear and see the hundreds of birds in the bushes that line the Lane. Please consider rejecting this application so we can keep this beautiful green area from being destroyed

Kind regards
