Comments:	Of course I object to where this barn is going to be erected, I think it is so wrong to put it right in line with people's homes, when why can't it be situated further away and down in the field, as said there is no dispute about its need just where it is! please show some decency and judgement and site it where it is less obtrusive, you wouldn't like next door to where you live when you know it could be sited somewhere more appropriate. Everywhere around the Meopham/Sole St area (and beyond) is being slowly destroyed bit by bit, to be honest I'm against building any homes on green belt land in areas of outstanding beauty, thus possibly just gets in as it I should think vines under the heading of produce. But I really do hope this barn is sited in a more understanding way.

Kind regards
