| Comments:            | <p>Norwood Lane is quite narrow and has pavement on one side of the road whilst the narrower section has no pavement. The drivers race along Norwood Lane as a short cut to Wrotham road from Green Lane and vice versa, thus creating an exit onto Norwood Lane from Cherry Dene could prove a hazard.</p> <p>Building two houses would mean lots of traffic with heavy vehicles delivering building materials and equipment.</p> <p>Digging up the road to install sewage and drainage pipes plus water mains and power cables could cause major disruption especially at the corner of Nursery Road.</p> |

Kind regards
