

The contractor is responsible to ensure that no products are to be utilised that do not comply with relevant British and/or European Standards and/or Codes of Practice, CDM Regulations, Construction Regulations, or which are known or suspected at the time of product selection and/or construction to be deleterious to health and safety during the duration of the work or not in accordance with good building practices.

The contractor is responsible for the safe use, storage, handling, transportation and disposal of all products used in the course of the work.

Other Project Team Members or specialists' drawings/models/any Federated Model. Any discrepancy is to be notified to Bally Garner LLP and is to be resolved by the Project Manager, Bally Garner LLP, and the relevant Other Project Team Member or specialist.

Where an item is covered by drawings to different scales, the larger scale drawing is to be worked to.

Material (including copyright) in this drawing/model and any proprietary work contained therein belong to Bally Garner LLP and may only be used in accordance with the licence granted to the Employer and with attribution to Bally Garner LLP.

The drawing to be read in conjunction with Document Suitability Codes page or at [www.ballygarner.co.uk/disclaimer](http://www.ballygarner.co.uk/disclaimer)
