Reasons for comment:	
Comments:	As a mother whose children have benefited immensely from Al-Haq Academy's charitable sessions, I wholeheartedly support the establishment of a new mosque. The academy has kept my three children off the streets, instilling in them Islamic values and a strong sense of community responsibility. The support provided to parents like myself has been invaluable in raising well-rounded children. Unfortunately, the current facilities are limited, and additional support from a new mosque would greatly enhance these efforts. This new facility would ensure that more children and families receive the guidance and community support they need.

Kind regards
