Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I feel it would be highly detrimental to the environment to build on this green belt land, there is no current infrastructure regarding roads , schools, doctors surgeries dentists ,or just green space for vital mental health benefits for all ages to support anymore houses, flats or residents therefore a thorough , professional screening and inspection of the entire site is vital

Kind regards
