Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Building the proposed numbers of dwellings in this area would dramatically increase the traffic, put an additional strain on local resources and services not to mention removing yet more of the countryside from our local areas. I would estimate 470 homes equates to a minimum of 1500 additional residents, 1000 additional vehicles which is objectively going to add further strain on a heavily populated area.

Kind regards
