Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this planning application strongly without plans for all new amenities, schools, surgery, parking facilities and new road access route. Meopham is a quiet village, all present facilities, schools, shops and medical surgery and road access are up to the maximum hold for the present residents. For nearly 500 dwellings to be built in this little village without those new facilities to be planned isn't going work for the present residents. This planning application as it is doesn't consider the impact on the present residents. Therefore I strongly object to this application.

Kind regards
