Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	There are already 2 mosques in close proximity. There is no need for another. Mosques do not contribute to the wider community. Additionally another will cause a mini community for one religion pushing others out, meaning the town becomes place with lack of diversity, whilst others from other backgrounds and religions are trying to live without being fearful within the area.

Kind regards
