Reasons for comment:	
Comments:	I support an EIA being carried out. The village of Meopham cannot cope with the proposed building of hundred of houses. The A227 already carries thousands of vehicles every day through our village with resultant air and noise pollution. With three schools in the area it is chaos at drop off/pickup times. The school cannot take more children. It is impossible to get a Doctor's appointment. Wildlife would be greatly impacted. Etc etc

Kind regards
