I wish to **object** to planning application number **20260649** for the reasons stated below:

It would appear that whatever objections are raised to the destruction of Kent will go ignored. Clearly the green light has been given for developers to make their fortunes by building anywhere they choose regardless of farmland or green belt "protection". Therefore the fact that the doctor's surgery has no capacity, the local school has no capacity, bus services are dreadful, & every resident will have to have one, two or more cars is totally irrelevant.

Obviously those who will build this estate ^{and others} will ensure that they don't live in Istead Rise once it's destroyed and merely a suburb of London.
