I wish to **object** to planning application number **20260649** for the reasons stated below:

I Deeply object to planning permission, How on earth is Istead-Rise going to support this, Our roads are so busy now as it is, they speed along the Downs Road, Our Doctors, Shops, Schools, this is ridiculous, We are running out of water! we can't support these extra properties, there's no reliable bus services! The traffic congestion will be horrendous! We do not have the infrastructure to support this population! Losing our farmland, which we need for food security! Losing what Greenbelt we have! Our local people don't need this! What is this going to do with our environment! We are car dependant! this will increase traffic congestion big time! (in and out of Istead-Rise)
