Application Reference: 20260649

Case Officer: Rebecca Harrison

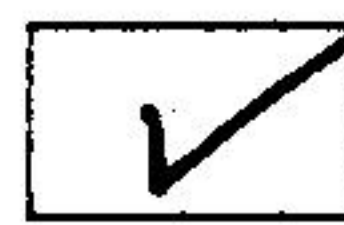

Location: Land North Of The Drove Way, Istead Rise, Gravesend, Kent

Proposal: Development for up to 100 residential dwellings (Class C3), including the formation of new accesses from The Drove Way.

I wish to **object** to planning application number **20260649** for the reasons stated below:

This development would incur more traffic from the Drove Way and ultimately onto the Wrotham Road. This road is already under threat of the possible additional housing sites planned at Meopham.

Our doctors is fully subscribed and so is our local school.

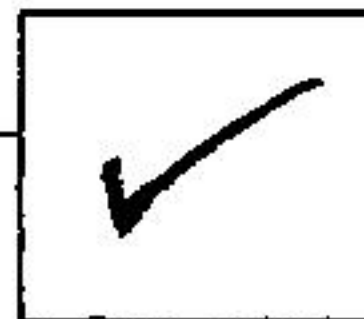

Once again it is the infrastructure, ie water, traffic, highways, loss of green belt etc. which should be considered. There still remains the 'eyesore' of the old hospital; first clean up our town!

There is also the site of the old Tollgate hotel.
Both of these sites should be addressed
first. Lets get these two sites sorted
first - the only people benefitting from
new additional housing are the developers,
who will keep on and on until they get
what they want.
