I wish to **object** to planning application number **20260649** for the reasons stated below:

Here we go again! We already have the head of Downs Road under attack now you add 4/5 more possible sites 'abound' Istead Rise. How much longer before we join up with Withham, Vigo, Mespham and then Gravesend itself! Instead of dreaming about how much more Council Tax you'll stand to collect from 350-odd extra homes not to mention what the Builders & CEO's will stand to make why don't you attempt to improve the Istead Rise that's already here with its crumbling roads and exposed metal reinforcing (laid around 1962 I believe) not to mention its cracked broken paving and weed infested asphalt patches? Roll on World War III!

Signed & dated:	(Deadline for objections: 2/9/26)
[Redacted] 28/8/2026	Comments continued overleaf P.T.O.

We've also been picking up rumours of a massive Data Centre being constructed nearby (Southfleet Way possibly?)

Hope a new Reservoir & Power Station ~~are~~ are in the Consultation.

Otherwise we'll all be on permanent Water and Power Cuts!
