Comments:	I am objecting to this planning application as I believe these people have bought this land cheap, and assume because of their ethnic standing they will get permission to stay. This cannot be allowed to happen, we pay a very high price in council tax and road upkeep etc to live here. I have lived in the area for nearly 30 years and have seen a huge difference in the area, with the building of houses not chalets or caravans anymore. If this is allowed to happen then we are going backwards, they have made that area an eyesore and if they are allowed to stay it will only get worse. They have caused damage to the road, chopped down countless trees and now laid tarmac everywhere. I am all for live and let live, but not at everyone else's expense. These unauthorised plots cannot and should not be allowed to be built on or lived on by anyone.

Kind regards
