Reasons for comment:	
Comments:	Wrotham road is already congested enough & floods every time we have heavy downfall new drainage is required, Meopham Medical centre is full to capacity & so are the schools. Once the new crossing into Essex comes to bear the A227 will be gridlocked. The bus service is hit or miss. The parade of shops doesn't have enough parking. The sheer number of houses along this being proposed is too high.

Kind regards
