Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Local road infrastructure inadequate and already impacted by M20 and A2. Significant loss of biodiversity and rural landscape, does not fit with Decarbonisation or net zero policies. Gravesend has plenty of brownfield sites such as Northfleet project and empty buildings for housing conversion such as that next to Gravesend hospital, where it can meet its housing quota without the loss of rural landscape and biodiversity.

Kind regards
