Reasons for comment:	
Comments:	Absolutely disgusted that GBC can and developers can even think of building on both of these sites. Meopham is at a standstill nearly every morning from Bartellas to the secondary school and beyond. The schools are full, the doctors surgery is full, the bus service is diabolical . These roads cannot cope with any more traffic. The land is beautiful green belt land, shame on you GBC and developers for even co tempting this and not building on brown land which there is plenty of in the local area. All to save money.

Kind regards
