Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	I am not sure if I am objecting to the Screening option or the planning application itself. I think it is essential that a public explanation of the process take place along with consultation before any further action is taken. Locals are completely in the dark about the process and have been barraged with several developments within the village with no real understanding of how Green Belt can be considered for development

Kind regards
