Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This development will ruin Meopham, and should not be allowed. We are already stretched for school places, doctors, and local services. 500 houses will bring in approx 2 cars per house, so roughly another 1000 cars causing chaos. We are a village in a rural setting. The council is very quick to refuse private planning applications, on the supposed grounds of 'spoiling the local area'. But when it suits them, they tear up green fields.

Kind regards
