Reasons for comment:	
Comments:	Our green spaces are under attack by developers who show a complete lack of regard for our community and the environment. The main road (A227) is gridlocked most days. Darent Valley Hospital is unable to cope at the best of times with patients waiting in corridors for beds. The Doctors can't cope and the schools are full. We are a rural community that simply doesn't have the capacity to have additional building on this scale. Gravesham Council claim to be proud of our open spaces yet developers have a hungry appetite to strip it away.

Kind regards
