Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We absolutely object to housing in the village which will not be able to cope with an influx of people and cars, there is one doctors surgery where appointments are already difficult to get, Wrotham road is not wide enough for more cars and the A227 is already busy, our garden backs on to Wrotham road and the noise is already excessive and stressful, to destroy the beautiful views of this green belt land would be outrageous. We moved to the area for its outstanding natural beauty status understanding that's why our council tax is high. Will we get a reduction if these housing estates are built. The schools are already full to capacity so will there be more schools built. The parking at Meopham parade shops is already next to impossible to park up to use the shops, also affordable housing does not fit in to the surrounding area which if this goes ahead will change the village forever. Bringing in thousands of people will raise crime in the area and increase rubbish in the streets and put out house insurance up. We object to these plans

Kind regards
